

# TRUPOINT DURAPOINT™ DOCTOR BLADE

Durapoint™ TruPoint Doctor Blade

TruPoint DuraPoint™ is engineered for printers who want the characteristics of a UHMW product combined with longer blade life. Designed for applications that previously used our standard UHMW product, but now want a blade that lasts even longer. A proprietary formulation gives DuraPoint a unique color and increases the blade life by 25-30% over standard UHMW. This product provides good metering of the anilox roller, has tremendous blade life, and is very safe to use.

## APPLICATIONS:

- Envelope
- Corrugated
- Coating

## STANDARD PROFILES:

- (A) Straight
- (B) Bevel: 45°, 30°, 22.5°

## STANDARD THICKNESSES:

- 0.030"
- 0.040"
- 0.050"
- 0.063"
- 0.080"
- 0.090"
- 0.100"
- 0.125"

## STANDARD WIDTHS:

0.500" to 4.000"

## STANDARD LENGTHS:

- Rolls: 100'
- Cut to length

### PART NUMBER

0001-043

### DESCRIPTION

DURAPOINT™ TRUPOINT DOCTOR BLADE
