

TRUPOINT PLASTEEL™ DOCTOR BLADE

Plasteel™ TruPoint Doctor Blade

TruPoint Plasteel™ is ideal for moderate graphics including fine type, reverses, and simple screen work. The product has an excellent blade life in applications where graphic requirements are moderately difficult. TruPoint Plasteel™ is ideal for complex line work, screens and simple process graphics. The blade is very safe to use and is popular in corrugated, envelope, packaging and coating applications with moderate graphic requirements.
